Dear DTLA BID Directors,

CCA plans to engage a Coro Fellow on a four week, potentially growing to 8-week project, to help develop streetscape improvements for Pico, Hill and Alameda Streets.

We see these streets as prime places to connect downtown neighborhoods and have attached a concept summary for your review. I realize while each street touches almost every district, they are of different levels of impact.

It would be great to partner with your BID on this effort. Please let me know if you are interested.

We can also further discuss this at our lunch on Feb. 7th.
